## Suporte para monitor B49 + A11

### Lista de componentes

B49

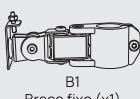

A2  
Haste 49cm (x1)

A3  
Chave Allen 3mm (x1)

A6  
Chave Allen 5mm (x1)

A4  
Clipe da Haste (x1)

A5  
Parafusos (x5)

A11

B1  
Braço fixo (x1)

B2  
Placa VESA (x1)

B3  
Espaçadores (x8)

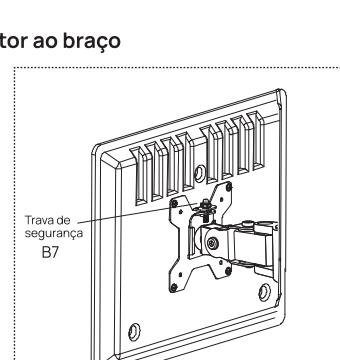

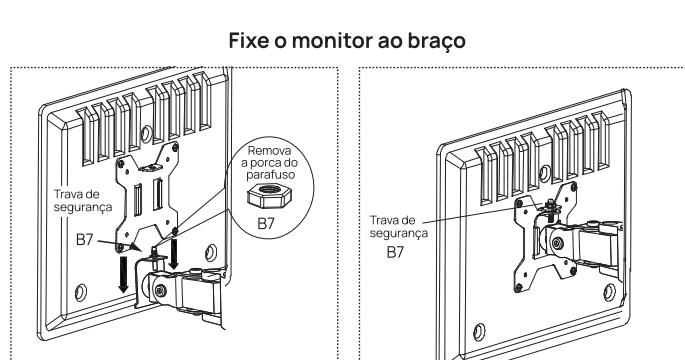

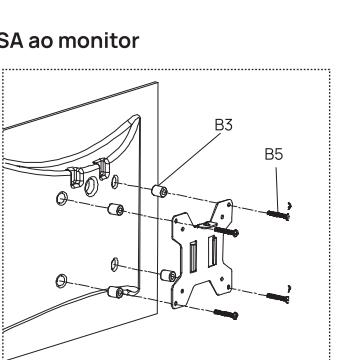

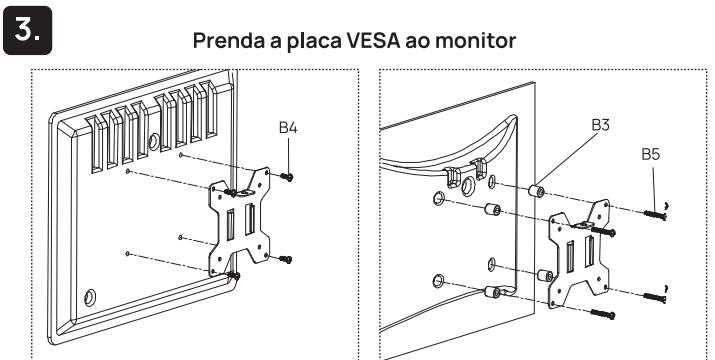

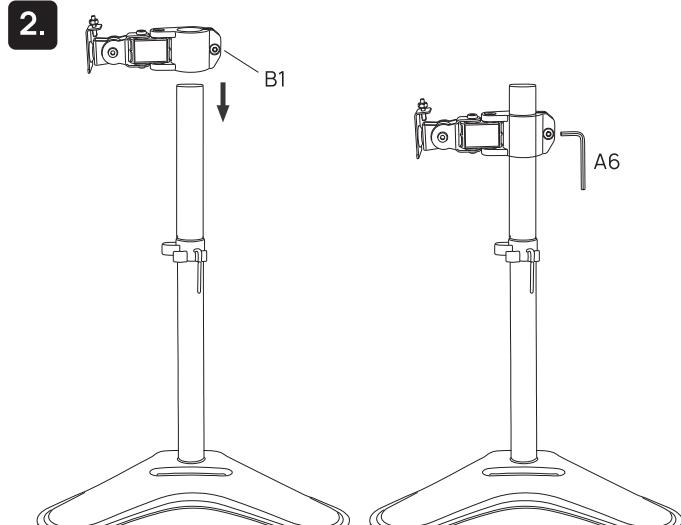

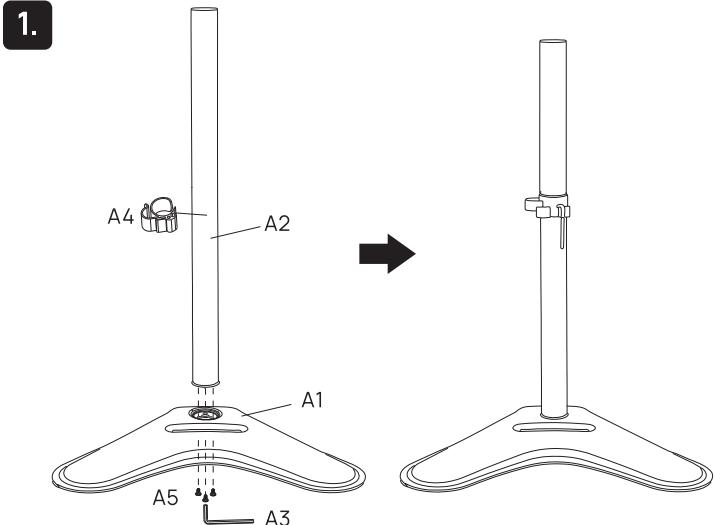

B4  
Parafusos M4x12 (x4)

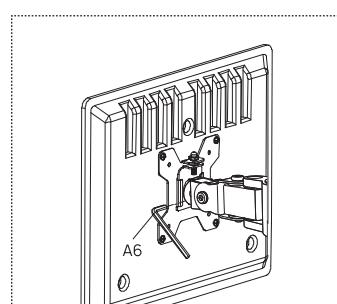

B5  
Parafusos M4x30 (x4)

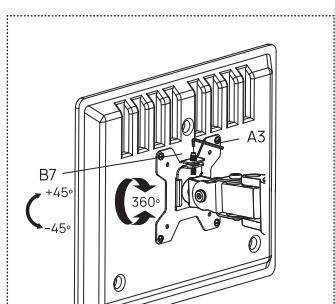

B7  
Trava de segurança e porca (x1)

### Faça os ajustes necessários

Ajuste o ângulo de inclinação desejado e aperte o parafuso com a chave Allen (A6) para travar.

Se um monitor estiver mais baixo, remova a porca da trava de segurança (B7) e gire o parafuso no sentido anti-horário usando a chave Allen (A3), para levantá-lo. Aperte bem a porca após ajustado.
